Canopies+Walkways

Make an architectural statement with Kalwall Canopies+Walkways, balancing performance, aesthetics and value. Whether for protection from the elements or as a backlit marquee to enhance a facade, we offer a full range of solutions.

Aids with visual transitions from interior to exterior by minimizing glare

Self-cleaning panel properties translate to lower maintenance requirements

Choose either flat Kalwall or curved Kalcurve® panels for design freedom

Meet life safety codes and achieve high design loads for snow, wind and drift

Offer windborne debris protection in coastal areas - up to large missile D

Specify Kalwall panels over supports by others or choose turn key solutions
